

# Ultimate Travel Planner

## Complete Bundle

### **Travel checklist**

This blogger's travel checklist is everything you'll need to plan your trip! With this checklist you'll be sure, you're not forgetting anything.

### **Packing checklist**

Use every box in the packing checklist to think of all the items you'll need to pack. We've added some extra space for your own personal items that are not on the list. Every box is a separate bag or kit.

### **Hotspot checklist**

Write down all the Instagrammable locations you want to visit during your trip. You'll have all details together in one place with the addresses. Use the notes box to add how to get there!

### **Outfit planner**

As a content creator we need to plan our outfits carefully when shooting on different locations. Sometimes the weather plays a big part on what we wear. With this outfit planner you can plan your entire outfit and match them to your hotspot checklist.

### **Trip planner**

Use this trip planner to plan your daily schedule. Think of shooting locations, but also museums, excursions, restaurants and everything you would like to do. Any appointments scheduled during your trip? Write them down here and keep your schedule organized.

### **To-do list**

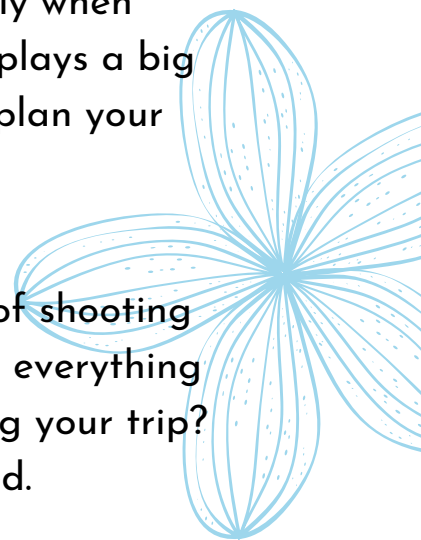

As a bonus we've added this daily to-do list to our bundle. You can use it to schedule your appointments, your daily tasks and your food and water intake during the day. Fill in your favorite quote or something you're thankful of in the motivation box.

### **Notes**

Our final bonus: a free notes printable, to use for all your scribbles!

### **SOS card**

Fill in the trip details on this card and give it to your emergency contact at home.
